

Color

Overview

Aztec’s colors have been carefully selected to represent our brand across all mediums, platforms and touchpoints.

We have a collection of neutral, core and base colors in our palette.

Neutral colors

Core colors

Base colors

Usage

We have a collection of neutral, core and base colors in our palette. Each has been given a distinct role and name, and are used in this ratio to maintain our distinct look.

Neutral colors

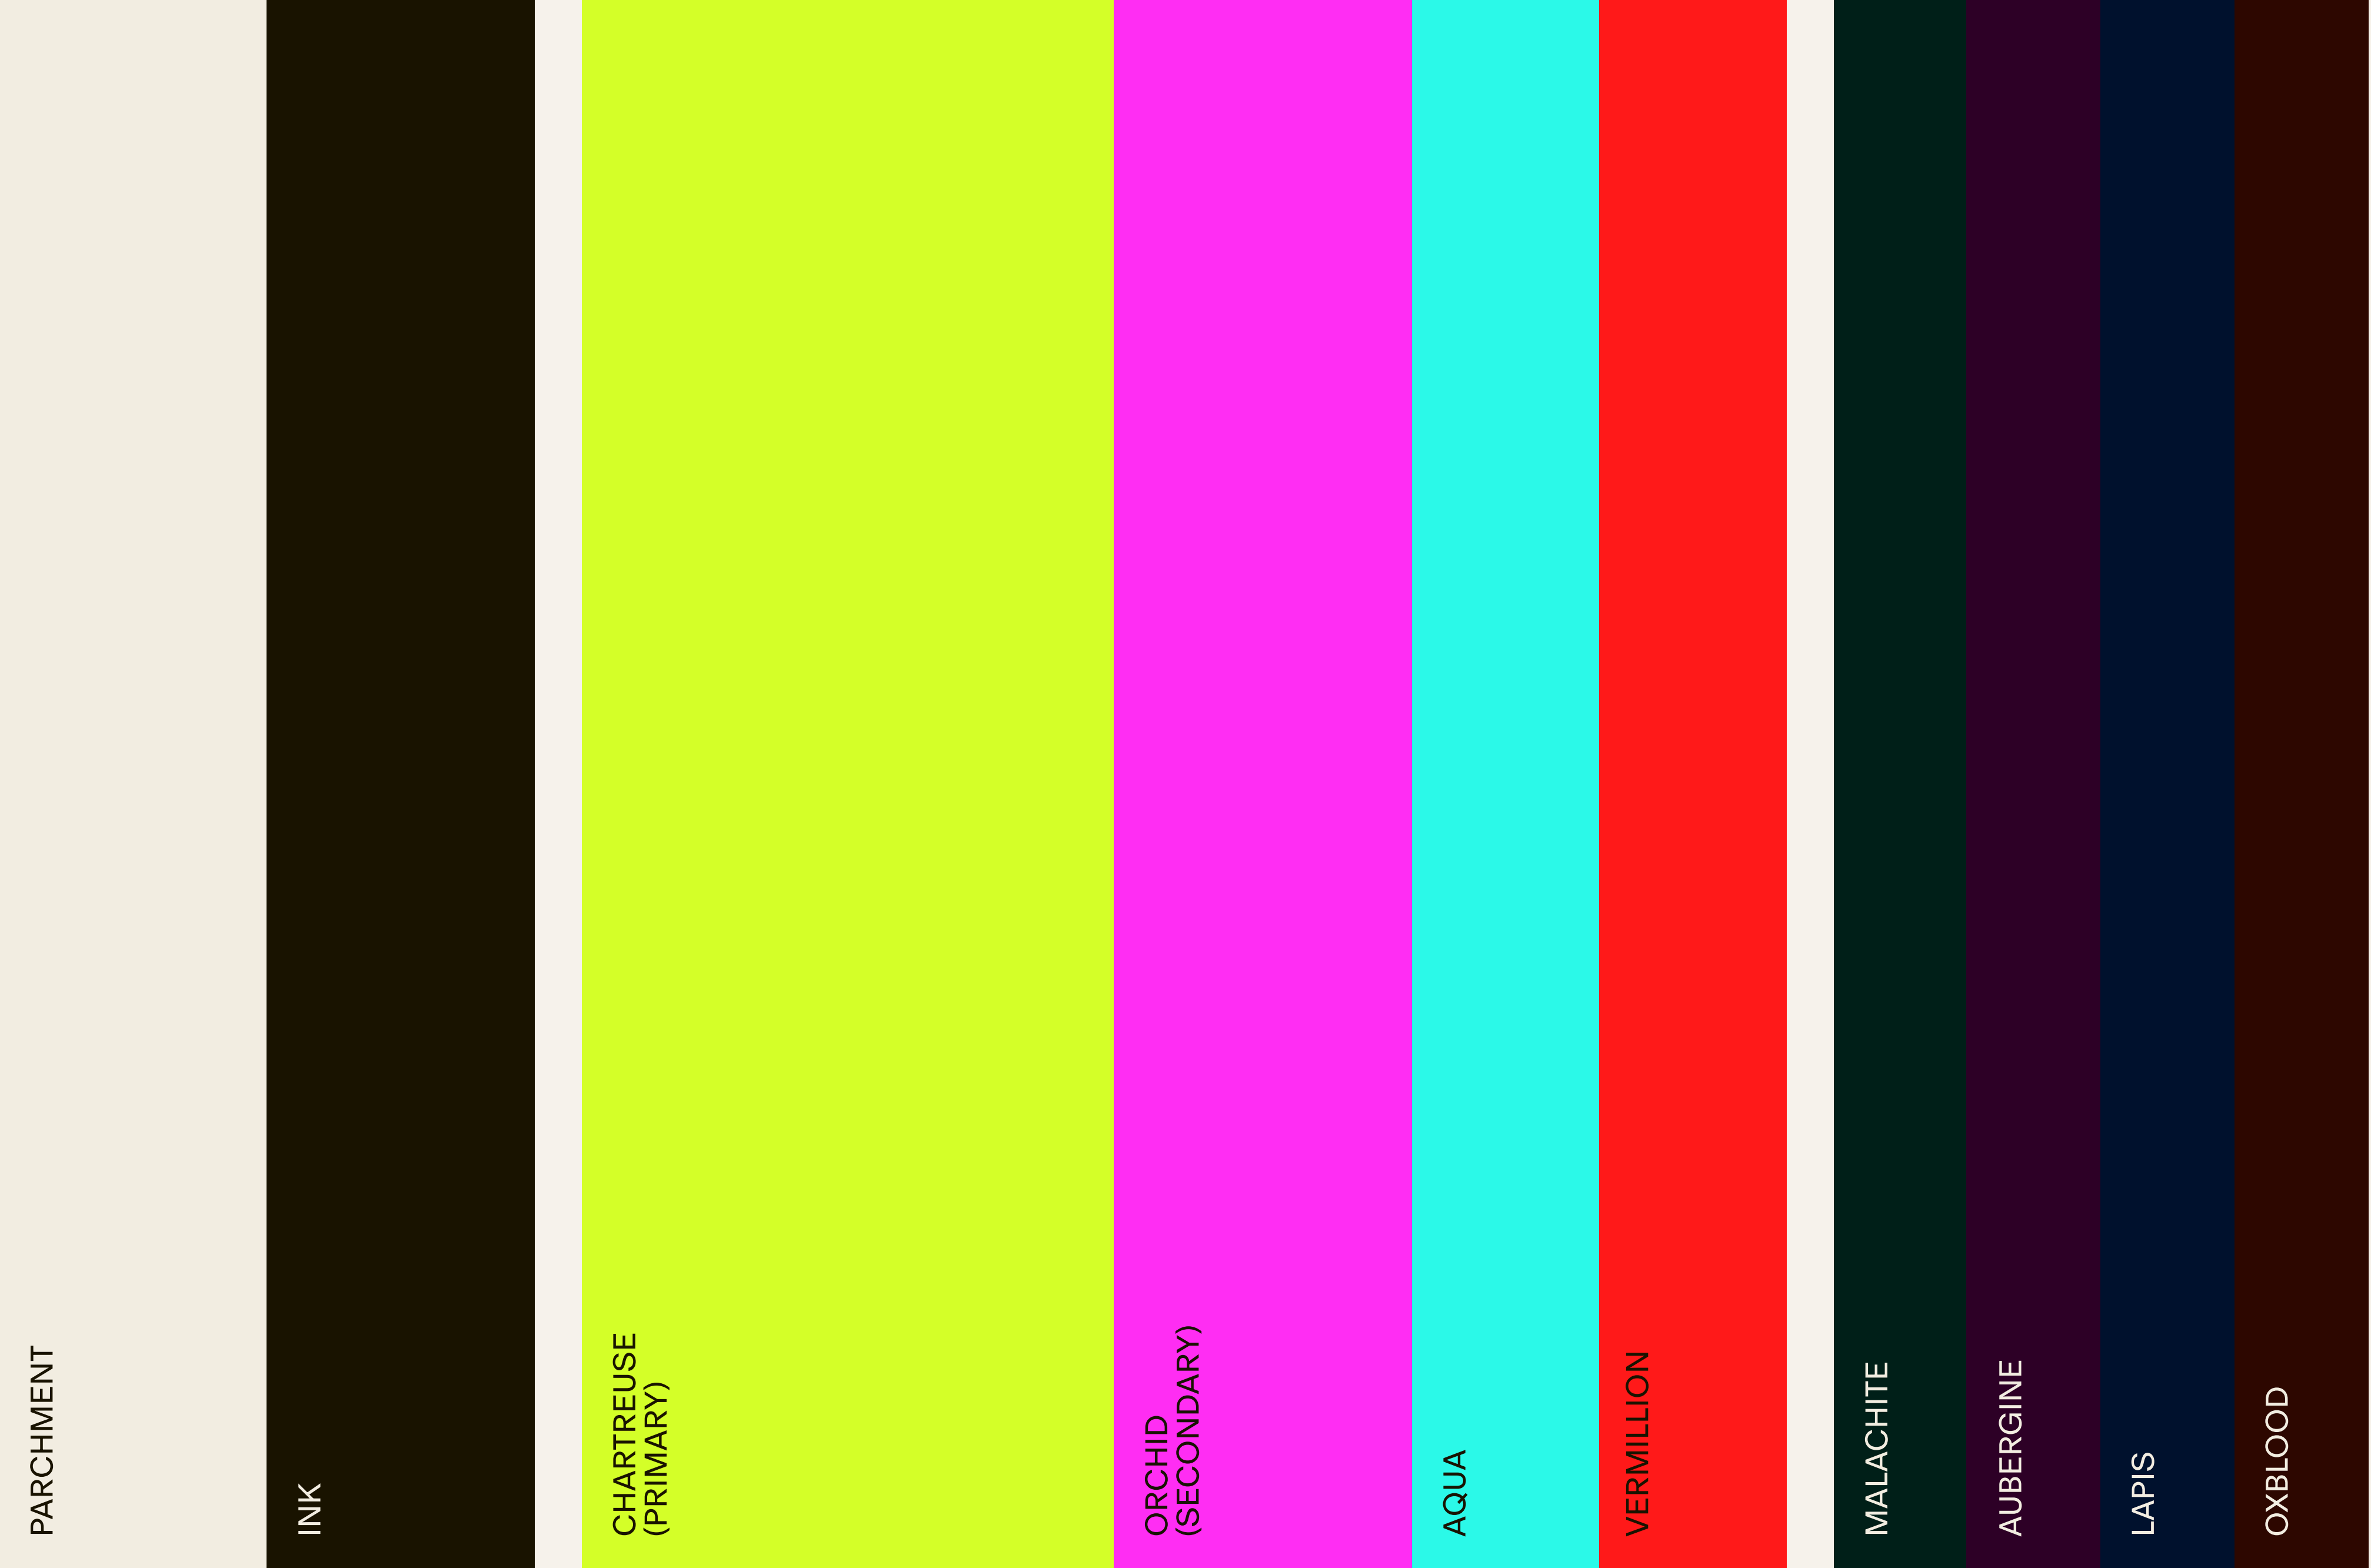

Parchment and Ink form our neutral colors, providing contrast and legibility.

Core colors

Chartreuse is our primary brand color, used most boldly and frequently. Orchid is our secondary brand color, followed by Aqua and Vermillion as supporting core colors. Our core palette brings vibrancy and flexibility.

Base colors

Malachite, Aubergine, Lapis, and Oxblood are our base colors—rich, grounding tones used for depth and dimension.

Swatches

To maintain a cohesive brand identity, colors should always be used in their specified shades. Consistency across digital and print ensures clarity and recognition.

Use the provided codes to match our colors precisely.

Extended

Beyond our brand colors, the extended palette provides versatility across product and brand touchpoints.

These shades complement the primary tones, ensuring a cohesive yet dynamic visual system. They allow flexibility in UI, marketing, and other applications while maintaining brand consistency.
